Here is a fun idea, have your students start to make blog posts on your classroom blog in the point of view from a character from a novel. Write a prompt or allow students to write whatever they would like! Comprehension is the goal of reading; It's the reason why people read.

What are Simulated Journals? by Baylee Ferrier on Prezi

Summary In the present study, two samples of subjects differing in class and political orientation were tested in a simulated jury situation. The defendant, accused of negligent homicide, varied in the characteristics of race and attractiveness. Mean sentencing of the defendant was found to be a function of the characteristics of the jurors and of the attractiveness of the defendant.

RJPT - A study of simulated forgery of signature

The simulated environment allows learning and re-learning as often as required to correct mistakes, allowing the trainee to perfect steps and fine-tune skills to optimize clinical outcomes.[5,6] There can also be simulated examples or scenarios of rare or unusual cases that are often hard to come by in the clinical settings. The simulated situation and scenarios can give students and inexperienced junior doctors realistic exposure to such cases.

Simulation-based learning: Just like the real thing

Work sample tests require applicants to perform tasks or work activities that mirror the tasks employees perform on the job. For instance, applicants for an Administrative Assistant position may

be asked to transcribe an internal memo using a word processor or to accurately file a stack of paperwork.
