Tasmanian Government Project Management Guidelines V7.0 Page 4 The eleven Key Elements presented in these Guidelines reflect the areas covered by A Guide to the Project Management Body of Knowledge (PMBOK Guide1), but they also include elements arising from ongoing collaboration with practising project managers within the Tasmanian State Service.

Tasmanian Government Project Management Guidelines

It really helps if your company has an official handover template. At White October, we use a standardized project handover template across the entire company. This structure holds people accountable and ensures that information is covered at the right level. If your company doesn't have its own template, now's the perfect time to create one.
