Petpage application: Petpage applications are done on petpages (go figure). They should have a nice layout (even if it's simple) and a font that's easy to read. These are longer than neomail applications and should keep the reader interested; if it's boring, the fosterer probably won't want to read it all. What To Add: Neomail Application

I just saw yet another awesome Petpage Application get rejected. This is not fair on the person that

made it, I know they don't to do one but let's face it, who wouldn't choose a Petpage App over a NeoMail one? I think TNT should ban the whole idea so the maximum an application can go to is a NeoMail and a Couple of Pictures.
