An ASCD Study Guide for Qualities of Effective Principals. ... Teachers in the school could be invited to complete selected aspects of the checklists to offer insight into how the principal's practices are perceived.

An ASCD Study Guide for Qualities of Effective Principals

Gallup National Study of School Principals. Gallup's national study of school principals, which is nearing completion, seeks to study great principals and determine what they do differently from less-than-great principals. The study began two years ago with focus groups and in-depth interviews with outstanding principals in six states.

What Do Great Principals Do Differently? Part I

principal with the leadership ability to develop, influence, and motivate others to action is a key factor in creating a school in which teachers and students succeed. The principal must be able to create a fundamental transformation in the learning cultures of schools and of the teaching profession itself.
