North Carolina State Board of Elections Website. If a client mails in a document or application that contained the NVRA question, and the client has checked that he or she DOES NOT wish to register to vote (declines registration services), are agencies required to mail the client a voter registration application?

**NVRA Agency**

An aircraft registration is a code unique to a single aircraft, required by international convention to be marked on the exterior of every civil aircraft. The registration indicates the aircraft's country of registration, and functions much like an automobile license plate. This code must also appear in its Certificate of Registration, issued by the relevant National Aviation Authority (NAA).
