A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...

Flipped classroom - Wikipedia

Notes: The overall purpose of this course is to supply low-intermediate students with speaking, listening comprehension, reading and writing skills that help them become more successful in their jobs and community. The intensive approach focuses on common errors by comparing and contrasting Spanish and English grammar, with an emphasis on classroom participation.
