Principles Of Marketing Engineering 2nd

This should be a great benefit to most marketing (and other) managers--anybody who works with customers in markets. Marketing engineering exists between "big picture" analytics which relies on access to data that most managers don't have (and many companies can't attain), and the traditional "voodoo" intuition that many marketing managers rely on.

Principles of Marketing Engineering. As a profession, marketing is evolving, no longer based almost exclusively on conceptual content. That conceptual content will always have an important role to play in marketing, but the 21st century requires more analysis and rigor in marketing decision making. Much of marketing resembles design engineering -...
