After logging in using our given user id and password, we can then search the databases of peer-reviewed journals. If you are a student, I would call the library and see if your school has a similar program. It has helped me in my nursing research class tremendously.

where can I find free access to nursing scholarly journals ...

PubMed is much larger than CINAHL. Because most journals indexed in PubMed are peer reviewed, limiting your search to peer reviewed articles is not an option. However, with a little extra research, you can confirm that the journal the article appears in is peer reviewed. 1. Perform a search. 2. On the results page, click the "Limits" link below the search box.
