There is no consensus on the difference between disc and disk, and in many contexts the two are used interchangeably. Disk is the standard spelling for computer-related terms such as hard disk and floppy disk. Disc is the standard spelling for phonograph records, albums (in the figurative sense—a group of songs presented in sequence), and components of plows and brake systems.

There are a few cases when the grave accent does affect pronunciation - at least in some regions. In certain word endings, when it appears over the letter e, it causes the final syllable to be pronounced as [É] as opposed to [e] (ie. dÃ's vs des).(see Vowel Sounds I). This is true mostly for the northern region of France.
