### **Peter Parham The Immune System**

The immune system is a favorite topic of mine. Almost everything which happens to our bodies involves the immune system. So I was very interested in a book which is on a very professional level with current information and excellent writing style. Also I feel that educational graphics are especially important to drive home the information.

### **The Immune System (Fourth Edition): 9780815345268 ...**

The Immune System, Fourth Edition emphasizes the human immune system and presents immunological concepts in a coherent, concise, and contemporary account of how the immune system works. Written for undergraduate, medical, veterinary, dental, and pharmacy students, it makes generous use of medical examples to illustrate points. This classroom-proven
