Group therapy sessions offer a valuable way for those with similar problems to find a community of  
support. As the counselor and moderator of these groups, your ability to accurately document the  
discoveries and growth of participants will help each of them on their path toward recovery, and  
implementing a thorough method for recording group notes plays a significant role in the process.

We are now officially halfway through our Private Practice 101 series! So far, we've discussed your purpose and reason for starting a business, finding people to help you on your journey, setting up your business structure, and what it takes to get paid.. Today's topic: Paperwork. In my mind, there's one reason paperwork exists: it's a communication tool.

One-on-One Services vs. Group Services Billing for one-on-one therapy and group therapy services can be tricky (so tricky you may need a bit of therapy yourself). You should never use one-on-one CPT codes if you've provided group therapy services, as doing so increases your risk of a Medicare audit.

### **One-on-One Services vs. Group Services | WebPT**

According to WebPT's Courtney Lefferts, defensible documentation must "stand up to scrutiny." (Looking for some optimal physical therapy documentation examples? Be sure to download our toolkit below.) With that in mind, here's what else you need to know about defensible documentation: It's crucial for healthcare providers.
