## **Primary Source Papers**

In research activities, a primary source refers to information collected firsthand from such sources as historical documents, literary texts, artistic works, experiments, surveys, and interviews. It is also called primary data and is very different than a secondary source.

## **Definition and Examples of Primary Sources in Research**

Topic: Select one primary source from the time period 1750-2000 that is (or will be) historically significant. The type of document that you choose political, social, artistic, economic, philosophical, religious, etc. is up to you. Select a source in which you are genuinely interested, and which has enough substance to justify a 5 pp. paper.

## **Guidelines for Primary Source Paper - UMass Lowell**

In order to analyze a primary source you need information about two things: the document itself, and the era from which it comes. You can base your information about the time period on the readings you do in class and on lectures. On your own you need to think about the document itself.

## **How to Analyze a Primary Source | History | Carleton College**

When you write a historical research paper, you are creating a secondary source based on your own analysis of primary source material. Examples of primary sources include diaries, journals, speeches, interviews, letters, memos, photographs, videos, public opinion polls, and government records, among many other things.

## **Primary Sources for Historical Research | Subject and ...**

Research Paper: Two words that strike fear into the hearts of many students. Four syllables that create panic, dread, and anxiety. But they don't have to. Writing a research paper takes time and requires effort, but if you have a good topic and credible sources, you're on your way to a great paper.

## **Writing a Research Paper - The 5 Best Resources**

In the study of history as an academic discipline, a primary source (also called an original source) is an artifact, document, diary, manuscript, autobiography, recording, or any other source of information that was created at the time under study. It serves as an original source of information about the topic.

## **Primary source - Wikipedia**

When listing sources in a bibliography at the end of a research paper, precision and accuracy are important. Keep a copy of your sources close by to refer to as you type your citations. Listing Books: Single Author and Multiple Authors Type the author's surname, then a comma followed by his or her given name.

## **How to List Sources in a Research Paper | Pen and the Pad**

Primary sources, for historical purposes, are most often defined as eye-witness accounts of events/historical periods. Those accounts written or created at the time, not with 20/20 hindsight. These sources reflect the point of view of a participant or observer at a particular point of time.
