Origami is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished sculpture through folding and sculpting techniques. Modern origami practitioners generally discourage the use of cuts, glue, or markings on the paper. Origami folders often use the Japanese word kirigami to refer

## **Origami For Kids Archives - Art For Kids Hub**

Origami, also called paper folding, art of folding objects out of paper to create both two-dimensional and three-dimensional subjects. The word origami (from Japanese oru ["to fold"] and kami ["paper"]) has become the generic description of this art form, although some European historians feel it places undue weight on the Japanese origins of an art that may well have developed

independently around the world.
