Outstanding Math Guides Foldables

The Outstanding Mastery Guides (OMG) are a new way for your students to create and use graphic organizers in your classroom. Unlike traditional graphic organizers that cram information into a composition or spiral notebook, our Outstanding Mastery Guide

The Outstanding Mastery Guides, A Different Approach to ...

The resources will help my students have a "how to guide" for 8th grade mathematics. The colored paper will allow my students to color code standards that are in the same family (i.e. algebra = purple, geometry = blue). The scissors are necessary to cut and transform the colored paper into creative foldables.
