PCC Placement Test - Reading & Writing: Practice & Study ...

Recently placement testing has replaced the COMPASS testing system with "ALEKS" for math and "ACCUPLACER" for Reading and Writing. Our math placement test called "ALEKS" can be done from any computer or compatible mobile device. There is no need to study beforehand - "ALEKS" will guide you through the process. You will need around 90 minutes to complete the test.

Are there any practice tests for the placement exam?

Mathematics can be used by everyone to enhance their understanding of the world. PCC offers developmental and pre-college math courses (numbered below 100) that focus on algebraic skills and prepare students for certificate programs, two year degree programs, and college level coursework.

Mathematics | PCC

Our math review goes far beyond the typical study guide by including comprehensive instruction, guided practice, and interactive tests. All of these features are available for anyone at Portland Community College to try out by simply selecting the "start course" button above.

Portland Community College ALEKS Math Placement Test Prep

I haven't heard from anyone who has taken the test from PSU though, so I'm wondering if anyone here has experience with it. I need to catch up on my math and I'll be doing a lot of self study over this spring/summer, and once I take the placement test again, I want a fair chance at testing into a math class that will be appropriate for me.
