Overview. The Renaissance was a cultural movement that profoundly affected European intellectual life in the early modern period. Beginning in Italy, and spreading to the rest of Europe by the 16th century, its influence was felt in literature, philosophy, art, music, politics, science, religion, and other aspects of intellectual inquiry.

The Reformation (more fully the Protestant Reformation, or the European Reformation) was a movement within Western Christianity in 16th-century Europe that posed a religious and political challenge to the Roman Catholic church – and papal authority in particular. Although the Reformation is usually considered to have started with the publication of the Ninety-five Theses by Martin Luther in ...

The Renaissance and the Church Even though there are some sharp contrasts, for the most part, the influence and prestige of the Catholic Church was declining. The humanistic thinking did accept the older church institutions that were deeply rooted in traditions and traditional ways of thinking. In the past, the Catholic Church had been an ...

Education - Global trends in education: One of the most significant phenomena of the 20th century was the dramatic expansion and extension of public (i.e., government-sponsored) education systems around the world—the number of schools grew, as did the number of children attending them. Similarly, the subjects taught in schools broadened from the basics of mathematics and language to include ...

Introduction 1. From Athens to Rome. The imperium Romanum. . . this most admirable work of art in the grand style was a beginning; its construction was designed to prove itself through thousands of years: until today nobody has built again like this, nobody has dreamed of building in such proportions sub specie aeterni. This organization was firm enough to withstand bad emperors: the accident ...
