Research Paper Peer Editing Form

Academic publishing is the subfield of publishing which distributes academic research and scholarship. Most academic work is published in academic journal article, book or thesis form. The part of academic written output that is not formally published but merely printed up or posted on the Internet is often called "grey literature". Most scientific and scholarly journals, and many academic and ...

Overview Much self- and peer-editing at the high school level is handled more or less on the "sink or swim" method. In this method, teachers will often provide students a list that's intended to be helpful -- a list of editing marks, perhaps, or a list of common stylistic and content errors -- and expect that students will dutifully work down the list, identify their own problems in writing ...
