Salesforce CRM Getting Started Guide - Third Sector IT

SteveMo - the issue i am having is the field "Account Name" does not show up in Data Loader. the field in data loader called "name" refers to the opportunity name which is good, but i also need to tie that Opportunity name to the account name.

Is there a manual for the Apex Data Loader? If so, where ...

In addition to SteveMo's great suggestions, on the more fundamental side, the one and only Tom Wong co-wrote "Salesforce.com for Dummies". If you're looking for something really comprehensive I recommend "Salesforce.com Secrets of Success" by David Taber. It's a great guide to implementation following best practices of Business Analysis.

Is there a booklet or manual for Salesforce Software ...

The Salesforce connector connects seamlessly to any native Salesforce application, including Sales Cloud and Service Cloud as well any Custom Cloud or Force.com. As a Salesforce user, you can use
