That is a great point and thank you for making it. Yes, the drinks that are often labeled in the menus as being vodka or something else or often made with arak as a substitute to keep costs down.

The Problem (and Solution) With Arak in Bali

When grading position papers, many conferences put up to 50% of the paper's weight into the proposed solutions section. This means that, for delegates who want research awards or simply want to know where to concentrate their efforts, the best option is the solution-focused paper. In this form of position paper, the four general sections still apply, but the paper itself is geared toward ...

A Formula for the Perfect Position Paper: Solution ...

What makes exploratory essays different than other non-fiction prose works is the unique approach they offer to a certain subject. Essentially, exploratory essay topics aim to present a problem and examine it from different points of view, not focusing on a single solution or trying to provide a single answer.

A common challenge when beginning to write a research paper is determining how to narrow down your topic. Even if your professor gives you a specific topic to study, it will almost never be so specific that you won't have to narrow it down at least to some degree [besides, it is very boring to grade fifty papers that are all about the exact same thing!].
