IB Biology Notes - 7.6 Enzymes

States of matter. Everything is made up of matter. The characteristics of matter are: Made up of particles – atoms, molecules or ions; Particles are in constant motion

1.1 Introduction to the particulate nature of matter and ...

How about the real-world example? I encourage my students to use a great example (again, in my opinion), the case with quinoa. Quinoa was/is a staple food of the populations of the Andes which became very fashionable to eat in the US and later Europe and Asia when an American TV persona, Oprah Winfrey, made it known to her zillions of viewers.

IB Economics (and, not only)

The International Baccalaureate Diploma Programme (IBDP) is a two-year educational programme primarily aimed at 16 to 18 year olds. The programme provides an internationally accepted qualification for entry into higher education and is recognized by many universities worldwide.
