Practical work in Physical Sciences must be integrated with the theory to strengthen the concepts being taught. These may take the form of simple practical demonstrations or even an experiment or practical investigation. As from 2014 THREE prescribed experiments will be done per year as practical activities for formal assessment:

**PHYSICAL SCIENCES - Department of Basic Education**

There are several practical activities outlined in Section 3 (Physical Sciences Content) of the CAPS document. Some of these practical activities will be done as part of formal assessment and others can be done as part of informal assessment.
