How much should it cost to have a standard (tank) gas water heater installed? In 1995, I paid \$150 to have one installed in Atlanta. I have read a few DIY boards where they say it should take a home owner 2 or 3 hours to do the job themselves, which I won't do, and that \$300 is too much to pay for professional installation. However, the few plumbers & handymen companies I've called in the ...
