Referencing Titles In A Paper

A content note generally contains useful information and explanations that do not fit into the primary text itself. Content notes may be given as footnotes or endnotes or even a combination of both footnotes and endnotes. Such content notes may themselves contain a style of parenthetical referencing, just as the main text does.

Parenthetical referencing - Wikipedia

Usage Note: Though originally a noun, reference is often used as a transitive verb meaning "to supply (a book, article, or other work) with references." People also use the verb to mean "To cite as a reference" or simply "To mention or allude to." Though some traditionalists oppose these latter two uses of reference, the usage is most widely accepted when the context involves actual citing of ...
