When to Use Quick Reference Guides. Core tasks. If the uses of the product are varied but several core tasks are performed most often, a quick reference guide can provide the basic steps for those tasks, while the rest are described in a separate document. Depending on the length or complexity of the core tasks,...

Quick Reference Guides: Short and Sweet Documentation | I ...

Hey Rebecca, When I am creating my quick reference guides, I always write them first without screenshots. As part of a review, I find someone around the office and have them run through the

steps and see if they are simple enough without the added images and we quickly figure out where screenshots could go, if any.
