COBIT 5 Professional Guides COBIT 5 for Information Security. Information security is essential in the day-to-day operations of enterprises, which must ensure confidentiality and integrity of their information, while providing availability to those who have business reasons to use it.

COBIT 5 Publications Directory - Information Technology

The terminology can get a bit confusing here, sometimes, especially if it is used interchangably by some people. There's also a lot of cynicism about these statements.

What's the difference between vision, mission and values ...

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings.These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.

Style guide - Wikipedia

There are a variety of different referencing styles used across the University (Harvard, Vancouver, MHRA), so you should always check with your supervisor that this method of citation is accepted within your School.
