C Programming Interview Questions and Answers - Aptitude
If you are a newbie in the field of software development, the very first question comes to your mind is "Where to begin?" That's undoubtedly true! There are hundreds to choose from, but how will you discover that yes, that's the one? Which will be most suitable for you, your interests and ...

Top 10 Programming Languages of the World – 2019 to begin ...
Dereferencing a null pointer in C produces undefined behavior, which could be catastrophic. However, most implementations [citation needed] simply halt execution of the program in question, usually with a segmentation fault.. However, initializing pointers unnecessarily could hinder program analysis, thereby hiding bugs.

Pointer (computer programming) - Wikipedia
Problem solving has been described as the process of finding certain information that is not known, from a set of information that is known. In other words, problem solving is not an end result but rather a process.The end result is only worthwhile if the process is followed.
